CCG Ghoul Investigators

Tokyo Ghoul : re

The CCG is the only organization in the world that investigates and solves Ghoul-related crimes. Founded by the Washu Family, the CCG developed and evolved Quinques, a type of weapon derived from Ghouls' Kagune. Quinx, an advanced, next-generation technology in which humans are implanted with Quinques is currently under development.

Mado Squad

Qs (Quinx) ● ● Investigators implanted with Quinques. They all live together in a house called the **Chateau** with Investigator Sasaki.

● Haise Sasaki
佐々木琲世

Rank 1 Investigator

Mentor to the Quinx Squad. Despite being half-Ghoul, he is passionate about guiding his squad members. He has no memory of his past. And whose voice sometimes echoes in his head...?!

● Ginshi Shirazu
不知吟士

Rank 3 Investigator

Current Qs squad leader. Agreed to the Quinx procedure for mainly financial reasons. Despite a thuggish appearance, he has a caring side. Trying desperately to be a leader, although he is totally unaccustomed to the role.

● Kuki Urie
瓜江久生

Rank 2 Investigator

Former Qs squad leader. The most talented fighter in the squad. He seeks to avenge his father's death. On his own authority he recently underwent the Frame Release procedure, with unknown results...

● Toru Mutsuki
六月 透

Rank 3 Investigator

Both his parents were killed by a Ghoul and he decided to become a Ghoul Investigator. Assigned female at birth, he decides to transition after undergoing the Quinx procedure. Skilled with knives.

● Saiko Yonebayashi
米林才子

Rank 3 Investigator

Has little aptitude as an investigator, but she was by far the most suitable candidate for the Quinx procedure. Very bad at time management. A sucker for games and snacks.

Hirako Squad

● Akira Mado
真戸 暁

Senior Investigator

Mentors Haise. Takes after her father, Kureo, and is determined to eradicate Ghouls. Investigating the Aogiri Tree.

● Take Hirako
平子 丈

Senior Investigator

In pursuit of the Orochi. A reticent investigator.

● Kuramoto Ito
伊東倉元

Rank 1 Investigator

Member of the Hirako Squad. Has a cheerful disposition.

● Takeomi Kuroiwa
黒磐武臣

Rank 2 Investigator

The son of Special Investigator Iwao Kuroiwa.

● Kisho Arima
有馬貴将

Special Investigator

An undefeated investigator respected by many at the CCG.

Suzuya Squad

● Juzo Suzuya
鈴屋什造

Assistant Special Investigator

An eccentric who quickly climbed the ranks at a young age. He fights with knives he keeps concealed in his artificial leg. How is he connected to the Big Madam?

● Hanbeh Abara
阿原半兵衛

Rank 2 Investigator

Suzuya's right-hand man. A tall and gentle person.

● Yoshitoki Washu
和修吉時

CCG Bureau Chief

Supervisor of the Quinx Project. A member of the CCG's founding family, but he still has an approachable side.

● Matsuri Washu
和修 政

Assistant Special Investigator

Yoshitoki's son. A Washu supremacist who takes pride in his lineage. He is skeptical of Quinxes. Commander of Operation Auction Sweep.

Tokyo Ghoul : re

Ghouls

They appear human, but have a unique predation organ called Kagune and can only survive by feeding on human flesh. They are the nemesis of humanity. Besides human flesh, the only other thing they can ingest is coffee. Ghouls can only be wounded by Kagune or a Quinque made from a Kagune. One of the most prominent Ghoul factions is the Aogiri Tree, a hostile organization that is expanding its numbers.

Aogiri Tree

Ayato アヤト
A leading member of the Aogiri Tree. A Rate SS Ghoul known as the Rabbit. But...?!

Hinami ヒナミ
Member of the Aogiri Tree. Also known as Yotsume. In charge of analyzing sounds.

Naki ナキ
Member of the Aogiri Tree. Rate S. Frequently flips out of control.

Miza ミザ
Member of the Aogiri Tree. Rate S. Known as the Triple Blade.

The Torso (Karao Saeki) トルソー（冴木空男）
Rate A Ghoul. Preyed on multiple women with scars. Currently part of the Aogiri Tree.

The Owl オウル

Unknown

Eradication Targets

Big Madam ビッグマダム
One of the organizational chairs of the auction. An infamous Ghoul seeking beautiful human pets.

Nutcracker ナッツクラッカー
Rate ≥A Ghoul with a fetish for crushing testicles. Next target of the Quinx Squad.

The Clown Masks

Unknown

Others

Kanae von Rosewald カナエ＝フォン・ロゼヴァルト
Tsukiyama family retainer. At the auction on behalf of Shu Tsukiyama.

Matsumae 松前

Unknown

So far in : re

- The Quinx Project was implemented to develop investigators to surpass Kisho Arima in order to combat the growing strength of Ghoul organizations. Some in the CCG view these unusual investigators who fight using Ghoul abilities with suspicion. The Qs' mentor, Haise Sasaki, is leading them in the Nutcracker investigation. Mutsuki's undercover infiltration and Suzuya Squad's investigation reveal that a Ghoul targeted for eradication is going to be at the auction.
- Then the Aogiri Tree shows up and the situation intensifies!
